

Bullfinch (Gas Equipment) Limited

Conditions of Purchase for Suppliers

1. **Delivery** We reserve the right to cancel part or all of the order if goods/services are not delivered on time.
2. **Specification** The Bullfinch specification or drawing and issue number must appear on all containers, packages, delivery notes and invoices.
3. **Quality Assurance and Liability**
 - a) It is assumed that in delivering this order, the supplier guarantees that the product/ service meets the specification laid down. The supplier will be responsible for all replacement costs and consequential costs incurred by us and/or our customers as a result of non-conformances in the goods/services sold to us.
 - b) All goods/services supplied under this order must be subject to a formal quality assurance system and evidence must be kept by the supplier of final inspection of the goods/services to the specifications supplied. If any goods/services fail the final inspection, then they must only be despatched after a concession has been agreed with us in writing.
 - c) We reserve the right for our customers and ourselves of access to the supplier's premises at all reasonable times to carry out quality assurance surveys and take samples of goods/batches relevant to the contract.
4. **Invoices** We pay by nett monthly account - ie by the end of the month following receipt. Invoices not received by 10th of the month following despatch will have payment deferred for a further month.
5. **Completion of order** An order may be deemed to be complete to a maximum 5% above the contracted quantity.
6. **Traceability** Where components have been free issued to the supplier, the supplier must state our despatch note number on all subsequent delivery/invoice documents.
