

UK sole distributors for
LB White marquee heaters

Heaters for Marquees & other areas

Premier 80 and 170

Portable propane heaters

Premier heaters provide safe, efficient easy-to-handle warmth for Marquee events, industrial or leisure spaces. Through advanced casing design and contained airflow, the Premier 80 (23.4kW) and Premier 170 (49.8kW) offer exceptionally quiet operation. Remote temperature control provides an easily maintained, consistently comfortable environment, even with the heater externally located. Both models are fully ductable and offer simple air circulation at the flick of a switch, when necessary.

Regular Premier Features:

- Easy to handle, manoeuvre and set-up
- Clean, efficient heat with auto-ignition
- No liquid fuel handling or spillage
- Simplified reset function
- Improved bumper/lift handles for TS170
- Use with regular (47Kg+) propane cylinders
- Extended heating with connected cylinders
- Only requires domestic 220/240v power
- Remote thermostatic control (included)
- Minimal warm-up time
- Air-only circulation facility
- No fume pollution
- No cooling cycle
- Fully CE certified

Net weight	31 kg (67 lb)	58 kg (126 lb)

Air distribution options

HOW MANY HEATERS?

The following is a guide for the number of heaters required for a 20 deg C temperature rise in a 4m high marquee

(approx figures as a guide only):

- 100 sq m (1000 sq ft) - 1 TS080 or 1 TS170
- 250 sq m (2500 sq ft) - 2 TS080 or 1 TS170
- 400 sq m (4000 sq ft) - 4 TS080 or 2 TS170
- 500 sq m (5000 sq ft) - 5 TS080 or 2 TS170

Diffusers allow you to place the heaters outside the marquee and have a wide register that distributes the air at ground level. The unit diffuser (2213 or 2214) fits on the unit, whilst a duct diffuser (2212) is used in combination with flexible ducting (2211).

		length (mm)	width (mm)	air outlet (mm)	wt (kg (lb))
Unit diffuser for 80 - Bullfinch no. (LB White no)	2213 (09389)	485	380	380 x 100	7.7 (17)
Unit diffuser for 170 - Bullfinch no. (LB White no)	2214 (09396)	585	610	610 x 130	11.4 (25)
Ducting , white - Bullfinch no. (LB White no)	2211 (26347)	from 915 to 3660		305 round	9.1 (20)
Duct diffuser - Bullfinch no. (LB White no)	2212 (26350)	610	610	610 x 130	11.4 (25)

Prices - all ex-VAT from December 2010
